

Kingfisher Class Home Learning w/c 6th July 2020

Dear Parents and Carers

Welcome to the next to last week of home learning! Hopefully you saw the Parentmail explaining the end of year arrangements. If you collected your child's report on Friday, you'll know the plan, but just in case I'll explain...

Your child is invited to attend school for a transition morning on either Monday 20th July or Tuesday 21st, to meet their new teacher. Mr meech has allocated everyone a specific morning as we still, at this stage, need to keep to bubbles of 15. This will be a great opportunity for them to meet their year 6 teacher, see some friends and remind them of what school is like!

For English this week, I've suggested a summer activity booklet, which has lots of fun things to do. Next week, there will be a similar one for Maths, which also contains Maths games to do over the summer holidays.

You've done a great job and definitely deserve the holiday! Just another 2 weeks and you can have six off for being so good at home learning!

Have a good week and keep in touch.

With my very best wishes
Mrs Chavasse

Dear Kingfisher Class

Hopefully you know by now that you have been invited into school for a transition morning with your new teacher for next year. I will pop in to see you, but you'll spend the morning in the Year 6 classroom with your teacher.

There's an English Activity Booklet for you to work through this week and I'll add a Maths one for next week. You've only got two weeks of home learning left, so keep working hard, then you can have six weeks off!

Have a great week and I hope to see you all soon.

Stay safe!
Best wishes from
Mrs Chavasse
