

Eagle Class Home Learning

Dear Parents and Carers

Here we are, the final week of home learning! What a crazy end to the school year. I'm sure you're looking forward to a well-earned break! I cannot thank you enough for the time, effort and support you have put into continuing your children's educational journeys from home.

I am sure everyone is tired however for the final week of home learning, I have tried to incorporate some enjoyable activities to finish their year. There is lots of PSHE tasks and opportunity for children to reflect on the year we have had together. Please make sure that your children write a letter to Mrs Chavasse to bring in to school on the transition morning. This will be an opportunity for her to see their writing but also get to know them to support a successful start to the year. They should include details such as family, pets, friends, favourite subjects and any worries or concerns. For Maths this week I have uploaded the Maths Summer activity packs which contain lots of brain puzzles, games, problem solving and times tables for the children to enjoy. I have also uploaded the White Rose Maths sheets if your children would like to practice some symmetry work. This week is Virtual Sports Day Week! This has been arranged by Miss Sloman and the Primary Sports Team, something fun for your children to participate in. Links are on the website for each event. I hope this will be a great last week for your children.

Hopefully, by now, you have your child's report and the transition arrangements. I can't believe that the end of the year is here! I feel my time with your children has been cut short, so I am extremely sad to be handing them on to someone else. I am truly proud of everyone one of them. I have thoroughly enjoyed my time although it was too short with Eagle Class. I have loved watching them grow academically and personally into wonderful people. I know this will continue on their adventures next year. I would also like to thank you for all your support and kindness this year, especially during the pandemic.

Have a great last week, enjoy the break when it comes and keep in touch. Stay safe and take care.

With my very best wishes

Miss Knill

Hello my wonderful Eagle Class

HOORAY! You have successfully make it to the final week of home learning before your transition morning and summer holiday. You have been working incredibly hard. What a crazy end to our unbelievable adventure. I am so immensely proud of each and every one of you.

I am sure you are all feeling tired and ready for some summer fun, I know I am! But, there is one last week full of learning. This week for English you are going to write a letter to your new teacher, Mrs Chavasse. You'll need to bring this in to school next week on your transition morning. This is a chance for you to show her how amazing you are! For Maths, I have given you the Summer Activity Booklet full of puzzles and challenges just like the English one last week. This week is Virtual Sports Day, so try to complete as many events as you can. Good luck!

I can't believe it's the end of the year and that I have to let you go to another teacher! We have had an excellent year together with lots and fun and learning. I am going to miss laughing and exploring new things together. It will be strange having a new class of Eagles, I will miss you being in my class but you will only be next door, so hopefully I'll see you often. Please remember to pop in if you need anything or just to say hello! Ill pop in to see you on your transition morning next week. Have a great final week. Remember to thank your adults who have worked so incredibly hard with you at home and just try your best.

Keep learning and keep smiling super stars!

Take care and stay safe.

With my very best wishes

Miss Knill

	9.00-9.30 P.E.	9.30-10.00 Reading	10.00 - 10.15	10.15-11.15 English	11.15- 11.30	11.30-12.30 Maths	12.30- 1.30	1.30 onwards
Monday	P.E. with Joe Wicks Available on YouTube https://www.youtube.com/channel/UCAxW1XT0iEJo0TYlRfn6rYQ Or have a look at the kids dance classes from Oti Mabuse . These are streamed at 11.30am each day or you can play them back on YouTube https://www	Individual reading using <i>Get Epic</i> , own books from school/ home etc and AR quizzes where appropriate. It is really important that you discuss your reading book with an adult. They can ask you questions and you could even ask them! Reading activities: write a book review; re-design the front cover; make a card to detail what you know about each character; write a timeline of events; write to the author. Look out for reading	Break	Day one: Choose a style of poetry and write your own version. https://www.bbc.co.uk/bitesize/topics/z4mmn39	Break	Teaching Videos located here: https://whiterosemaths.com/homelearning/year-4/ Worksheets located here: http://www.ourladys.devon.sch.uk/webside/eagles/461227 I have also uploaded a week's worth of White Rose Maths sheets focusing on symmetry if you would like to have a go. Day one: Year 4 Maths Summer Activity Booklet	Lunch	Spellings Please follow our spelling menu like you normally use on the school website. 15 minutes practise each day should see you scoring 100% every week! You can also practice spellings from the 3/4 spelling list. Times tables Rockstars Get Epic! Handwriting practise neat handwriting. https://www.teachhandwriting.co.uk/cursive-letters-beginners-choice-1.html ** do not loop the bottom of 'f, g, j and y'
Tuesday				Day two: Choose a style of poetry and write your own version. https://www.bbc.co.uk/bitesize/topics/z4mmn39		Day two: Year 4 Maths Summer Activity Booklet		Science: Design a poster to show all of the information you have learnt about living things. Show off all the learning you have competed in the last few weeks. OR BBC Bitesize daily lessons.
Wednesday				Day three: Choose a style of poetry and write your own version. https://www.bbc.co.uk/bitesize/topics/z4mmn39		Day three: Year 4 Maths Summer Activity Booklet		RE: Think about a special place at home. Now, think about a special place at school. Next, think about a place in the local community. Finally, think about a place globally. Is it the same for the people close to you? Talk about this with a friend or family member. Think about the places

Thursday	<p>w.youtube.com/channel/UC58aowNEXHHnfIR5YTtP4g</p> <p>You could also try to create your own workout.</p>	<p>comprehension tasks being uploaded to class dojo.</p> <p>Dojo updates - Land of Roar</p> <ul style="list-style-type: none"> - Write a summary of the story so far. You can only use 5 sentences, be precise. - Write a quiz about the story so far. Send it to me or a friend to answer. - Continue to add words to your word bank. - Daily updates on dojo. 	<p>Day four:</p> <p>Draft a letter to your new teacher explaining what she needs to know about you. Tell her about your likes, dislikes, your family, your school life this year and you as a person. This will help her get to know you ready for September. This is your chance to show her how amazing you are already. Remember to be you, I am proud of you glorious individuals.</p> <p>I have attached a template to help with your plan.</p>	<p>Day four:</p> <p>Year 4 Maths Summer Activity Booklet</p>	<p>that are special to Jesus. Are there any similarities or differences with your special places? Create a picture collage of all your special places and record how they make you feel.</p> <p>Daily prayers available at: https://www.tentenresources.co.uk/primary-subscription/prayers-for-home/daily-prayers-for-home/</p> <p>Humanities: Finish your chosen history or geography project. Think carefully about how you present the information. Send me your new information. New history and Geography lessons loaded most days.
