

Phonics Home Learning Sheet

Week Beginning 8.1.18

Sounds learned this week

Phase 3: oi, ow, ear

Please use your sound mat to practice...

- Knowing the sound each letter/digraph makes
- Knowing the name of each letter
- Forming these letters correctly
- Finding objects/drawing pictures that start with these sounds
- Finding words/objects with these sounds in the middle or at the end.
- Writing lists of words containing these sounds

The children are finding the digraphs 'ar' and 'or' tricky to remember. If you could practice these at home also that would be fabulous!

Thanks for your support! 😊
