

# Eagle Class

Autumn Term 2019

Firstly, I would like to welcome everyone back after a lovely summer holidays! I hope everyone is feeling rested and ready to start their first term of year four.

In English, we are continuing on our Talk for Writing journey. This will be a whole class effort and we look forward to showing off some of our fabulous storytelling and writing. In Maths, this term, we will be focusing on Place Value and understanding the importance of number. We will have daily number talk sessions and weekly arithmetic tests. This year we will be working hard on our times tables.

We will be kicking off the year with our class chocolate topic! I am really excited to be exploring the journey of chocolate, Fairtrade and... we may even have the opportunity to make our own. Yum!

As scientists we will start the year by exploring animals including humans before moving onto changing states. Science will be linked to our topic exploring teeth and eating. We will work scientifically, carrying out investigations.

In RE, we will be exploring the Creation Story and how we see ourselves in the likeness of Jesus.

## Some quick reminders!

Homework will be given on a Monday. Children will be required to read daily and practice their weekly spellings in their homework logs. Children will also need to practice their times tables. This is really important as children are required to take their times tables test in the summer term of year four.

Children should keep their reading logs in their bags every day. I will need to see children's homework books every Monday please. Please let me know if you have any questions.

## PE

Eagle Class have PE on a Monday and a Friday. Full kit is mandatory for these sessions.

Should you need to contact me you are welcome to pop in and see me at the end of the school day. Any questions or queries can be dealt with through Class Dojo and I will respond as soon as possible.

Thank you.
