

Each evening your child will come home with their reading book. The government guidelines suggest a child of this age should be reading for around 45mins a day. We have 30mins protected reading time at school so if you could read for another 15mins at home that would really help your child progress as a reader. Each week I may send home a short number exercise to help improve the mental maths and problem solving skills of our class. Thank you! 😊

Task	Date issued	Tables Practise (Which test are you doing in class?)	Spellings for sentences	Hand in date	Completed?
Maths - Complete the worksheet adding three numbers together. Think about fractions. When do you use fractions in your everyday life? Maybe you have shared some sweets or a pizza this week?	24 th April		Practice your spellings. To help yourself you could put them into a sentence.	30 th April	
RE - What does Easter mean to you? When you think of Easter Sunday, what do you think of? What signs around you make you know it's Easter Sunday?	1 st May		Make sure you keep practicing the national curriculum word lists in your reading diaries.	7 th May	
Mathletics	8 th May			14 th May	
PSHE - Personal Hygiene Design a poster around keeping ourselves clean. Either washing your hands, changing our clothes or having a bath/shower. Think about why it is important to have good personal hygiene.	15 th May			21 st May	
Science - Make your own rocky road. Enjoy with your family, take pictures and tell me all about it.	22 nd May			4 th June	
Maths - Find shapes in your bedroom. Sort them into 3D and 2D shapes. How many different shapes can you find?	5 th June			11 th June	
Mathletics	12 th June			18 th June	
Topic - Create your own version of a piece of art you like. What did you do to make it? Why did you choose that piece?	19 th June			25 th June	
French - There will be a game for you to play at home!	26 th June			2 nd July	
R.E. - TBC	3 rd July			9 th July	
Topic - Research an artist. Write a fact file on them. Make sure you write anything you find out in your own words so that you understand it.	10 th July			16 th July
