

# Eagle Class

Autumn Term 2017

**Firstly, I would like to welcome everyone back after a lovely, if not slightly rainy, summer holidays! I hope everyone is feeling rested and ready to start their first term of year four.**

In English we are remaining with the focus of Talk for Writing. This will be a whole class effort and we look forward to showing off some of our fabulous writing.

In Maths this term we will be focusing solely on Place Value in lessons. We will have daily key skill session as well as times tables

practise and weekly arithmetic tests.

In topic we will be experiencing a yearlong quest to find and highlight the importance of water on our planet.

This will have geographical and historical links, looking at different ages in time and a variety of people and places around the world.

Science will also link to our quest, starting off by identifying physical processes such as evaporation.

In RE we start off by looking at the creation story and our mission as a school.

## Some quick reminders!

Homework will be set on a Tuesday and due in on a Monday. Children will have a task to do which will allow them to explore outside of what we learn in the classroom.

See Mrs Welland in the office about limited homework club spaces.

## PE

Eagle Class have PE on a \_ and a \_. Full kit is mandatory for these sessions.

## AR

We have completed our Star Reader tests and are cracking on with Accelerated Reader. It is important Eagles have their reading books with them daily and read at home too.
