

## Phonics Home Learning Sheet

Week Beginning 14.5.18

We have now moved on to Phase 4 phonics. This phase focuses on teaching new tricky words and blending practice. There are no more sounds to learn this year, so please continue to revise the phase 2 and 3 graphemes on your sound mats every week.

### This week's phase 4 tricky words taught:

**when, what, out**

Please use your tricky word bookmark to practice...

- Recognising these words on sight (remember they are tricky as you cannot sound them out!)
- Writing these words from memory
- Finding these words in books/on TV/ out and about

### Blending Practice

Please practice segmenting and blending to read these questions...

- Did a shark ever jump up a tree?
- Can crabs clap hands?
- Have you seen a trail left by a snail?

Can you draw a picture to match each one?

Can you write each sentence correctly from memory?
