

Each evening your child will come home with their reading book. The government guidelines suggest a child of this age should be reading for around 45mins a day. We have 30mins protected reading time at school so if you could read for another 15mins at home that would really help your child progress as a reader. Thank you! 😊

Task	Date issued	Tables Practise (Which test are you doing in class?)	Spellings for sentences	Hand in date	Completed?
