

Puffin Class Home Learning - 6.7.20

Hello Puffins! Hope you are all well. I can't believe we are nearly at the end of the school year. You have done so well with all the upheaval and strange times. Thank you and well done. Hope you enjoyed the Elves and the Shoemaker we did. We then wrote a story about an artist. It was great fun. For the next two weeks I am suggesting a Summer Activity Booklet. This includes lots of grammar, reading and spelling activities, all skills which are important to practice for next year. Please keep sending in photos of you and your home learning (whatever it looks like) I am loving sharing them on the class story page! I hope you have enjoyed seeing your friends as much as I have. Please continue to share photos of Home learning on dojo, so we can all carry on seeing each other. Remember have fun, stay safe and I am proud of you! Mrs Cohen ☺

*Hello Parents/Carers, Thank you so much for your continued support. **As you may already be aware your child is invited to attend school for a transition morning on either Monday 20th July or Tuesday 21st July, to meet their new teacher. Mr Meech has allocated everyone a specific morning as we are still, at this stage, need to keep bubbles of 15. This will be a great opportunity for them to meet their year 3 teacher, see some friends and remind them of what school is like. Please contact me or the office if you have any questions. Hope you are all okay with the timetable and learning or whatever your learning looks like. I would prefer to cook, play games and sew. Thank you again for everything. Stay Safe! Mrs Cohen***
