

Welcome to Year 2 (Puffin Class)

We are looking forward to building up a good working relationship to make the coming year a happy and successful one for your child.

Here is some information that might help with the year ahead:

Contact with me

Your class dojo from last year will continue to work and the messaging system will now come through to me (as some of you already are aware!) so please feel free to message me with anything through this. I cannot guarantee to get back to you straight away but I will message as soon as I can.

If you would like to see me then please let me know and I will meet you outside the classroom at the end of the day when all the children have left. Unfortunately, due to Covid-19 I am unable to invite you into our class.

Reading

Please encourage your child to read daily, this can include them listening to a story to help develop their story language. Reading books are changed on Tuesdays and Thursdays. It can be great for fluency, confidence and comprehension for a child to read the same book more than once. You will all be receiving their reading record bag with their current book in the next few days. I will not look at these regularly so please just write about the books they have read.

Home Learning

All home learning will be set through google classrooms. However homework should always be reading, phonics practise and practising their times tables as well as the suggestions I put on google classrooms.

Morning routine

Many thanks to you all for lining up outside my door and being patient with the children that are rubbing the hand gel into their hands. This should start getting quicker as the children get used to the routine.

PE

Puffin Class usually has PE on a Tuesday and Thursday. They look so smart in their lovely hoodies. Thank you for your support so far.

Any questions please ask, many thanks,
Mrs Cohen
