During the time of Pentecost, the Holy Spirit came to the disciples and they knew Jesus was with them. There are two parts to this lesson:</p> <ol style="list-style-type: none"> 1) Think of someone you are close to. Explain why you are close to them. Why you have a special bond. 2) During this time, we are surely missing family and friends. Write a letter or a card or an email to a loved one to show that even though you are not close to them in person, you are close to them in heart. <p>Daily prayers available at: https://www.tentenresources.co.uk/primary-subscription/prayers-for-home/daily-prayers-for-home/</p> <p>MFL: Find as many colours as you can in French and make a poster.</p> <p>PSHE: I am continuing to upload a range of resources onto Google Classroom/Google Drive for children to complete. Please be aware that there will be a range of activities for the vast abilities of all children in the class and I want children to be able to pick activities they will enjoy but try to ensure the activity is suitable.</p>
