

Phonics Home Learning Sheet

Week Beginning 4.6.18

We have now moved on to Phase 5 phonics. This phase focuses on teaching alternative spellings of previously taught graphemes.

Vowel Split Digraphs

This week we have been learning about vowel split digraphs. This is when the vowel and the letter e are split up by a consonant, with the letter e making the vowel say its letter name, not its sound.

The vowel split digraphs are below. Please practice reading, writing and creating sentences using these words.

a-e	e-e	i-e	o-e	u-e	
came	these	like	bone	June	huge
made	Pete	time	pole	flute	cube
make	Eve	pine	home	prune	tube
take	Steve	ripe	alone	rude	use
game	even	shine	those	rule	computer
race	theme	slide	stone		
same	gene	prize	woke		
snake	scene	nice	note		
amaze	complete	invite	explode		
escape	extreme	inside	envelope		

This week's Phase 5 tricky words:

asked, called, looked

Please practice...

- Recognising these words on sight.
- Writing these words from memory
- Finding these words in books/on TV/ out and about
