

## Eagle Class Summer One Spellings

These are your spellings until May half term. Each week you have a list of spellings to focus on. Please ensure you practice every week in your homework books or home learning books. You can then ask someone at home to test you on a Monday just like we do in school. Remember to use your spelling strategies (e.g. look, say, cover, write, check, quick write, pyramid words, rainbow writing). Have a go and try your best!
