

18th March 2020

Dear All

The school will be closing for the majority of pupils from 3.15pm on Friday 20th March until further notice.

The school will be open for specific groups of children next week. At this stage we know it will be for children in receipt of an EHCP and for children of key workers. We await for clarification around who those key workers are.

A reminder that if your child does fall into one of those categories but is currently in a period of isolation, then they will **NOT** be able to attend school next week.

The school will continue to prepare for the closure and further communication will take place over the coming days advising on how you can support your children at home.

Thank you for your support and understanding.

Mr Meech
