

Robin Class Home Learning

Hello Everyone! I hope you're all keeping safe and well.

We are nearly there... one more week and then half term! I expect you'll be relieved to have a week off from home learning, you truly deserve it!

Here is the timetable for the final week of the half term. Please remember it is to support you; we appreciate that home schooling is no easy task so please be flexible and do what you can! As always, please continue to share photos of home learning on Tapestry and on Class Dojo so that they can be added to our website gallery.

Thank you so much for your continuous support, patience and enthusiasm during these strange times. I understand there has been a lot about schools reopening in the news this week which sparks lots of questions and uncertainty. Mr Meech and the school team will be working incredibly hard to make sure that a return to school will be safe for us all and you will continue to be updated. Enjoy the half term and stay safe! With Best Wishes, Mrs Jury ☺
