

Kingfisher Class

Summer Term 2023

Welcome to Kingfisher Class! We would like to welcome everyone back to school after the Easter break. We hope everyone is feeling rested and ready to start their final term in Year 5.

In English, we are exploring the Text: Earth Verse by Sally M Walker; illustrated by William Grill. Children will work towards writing a short information text about a natural event/process.

The children will also be developing their reading strategies and understanding of a text.

In Maths this term, we will start by completing our fractions Power Maths unit. We will also have daily number sessions focusing on times tables and weekly arithmetic tests.

We will be kicking off our Topic work with History and the Medicine Through Time unit.

As scientists we will continue exploring Space then... We will work scientifically, carrying out investigations.

In RE, we will be exploring Pentecost and Cafod/other faiths.

PE

Kingfisher Class now have PE on a Wednesday and Friday. Please send your children to school wearing their PE kits on these days.

Homework will consist of, reading, practising spellings, completing tasks on an online platform called IXL and accessing Times Table Rock Stars to practise times tables.

Passwords and spellings can be found in your child's learning log. Please let us know if you have any questions.

We are so excited to teach your children and support them through this stage of their journey. If you have any questions please do not hesitate to contact us through Class Dojo. Thank you for your support.
