

SCIENCE OUTLINE PLAN: SPRING 2018

	Evolution & Inheritance
1.1.18	Differences, tallies, matching pairs
8.1.18	Inheritance: The Potato Heads H/W task: Family trees/attributes
15.1.18	Adaptation research (ICT link) animals and plants
22.1.18	Natural selection: headshape, eye position etc
29.1.18	Applying what we've learnt to other sources: Darwin (writing link)
5.2.18	Fossils & timelines (maths link) Assessment task
	Living Things (H/W pre-learn key vocabulary)
19.2.18	Groupings and their features; animal, vegetable, mineral. Branching keys
26.2.18	Bug collection and analysis? H/W Research Edward Jenner & microbes
5.3.18	Is it a plant? Groups, microbe re-cap, fungi experiment
12.3.18	Plant sub groups: categorising leaves
19.3.18	Science Week: catch up on anything we are behind with plus a series of mini experiments each day
26.3.18	Assessment
