Parent Information Sheet

Summer 2022

Welcome to the Summer Term

I hope you had a restful break, spending quality time with your families and you are ready for a busy term.

In English, we are continuing on our Text That Teach journey. We have already begun learning our new text 'Arthur and the Golden Rope' and I look forward to seeing the fantastic fiction pieces of writing that evolve from this. The children will have opportunity to engage in a range of genres to develop their skills.

In maths, this term we will be focusing on fractions. Decimals, geometry, time and money. We will have daily number talk sessions and arithmetic tests. We will continue to look at our times tables to secure them mentally. The children will have an official times tables test in the summer term. It is extremely important that they continue to work on them. Alongside Times Table Rock Stars, I urge you to use the suggested sites for regular practise.

This term our focus in Humanities will be geography and the topic, Magnificent Maps. I am looking forward to uplevelling geography skills and the study of physical features of the Earth.

As scientists we will be exploring sound. We will work scientifically, carrying out investigations.

In RE we will begin by focusing on Pentecost and the topic, 'Created to love others' in RSE.

Instead of Mrs Hynes, Mrs Tucker will visit us every Wednesday morning. Alongside RE, she will teach specialist music sessions.

Reading is one of our favourite parts of the day and a focus throughout the whole school. We are continuing to develop our love of reading, reading skills and deepen our thinking. Please support your child to read for a minimum of 30 minutes a day.

Homework will be set on Google Classroom on a Friday. Children will be required to read daily, complete weekly IXL tasks, practice their weekly spellings and their times tables.

Children should take their reading books home and bring them into school on a daily basis.

PE

Eagle Class have PE on a Tuesday afternoon and Thursday morning. Please ensure children wear their PE kits on these days.

As it is the Summer Term, please can we remind you to put sunscreen on children before they come to school and provide them with an Our Lady's Summer cap to protect them at playtimes (with the hope we have some sunny days).

Thank you for your support and understanding.

Miss Wilby
