

Owl Homework Tasks for Autumn 2019

14th January - 5th April

Each evening your child will come home with their reading book. The government guidelines suggest a child of this age should be reading for around 45mins a day. We have 30mins protected reading time at school so if you could read for another 15mins at home that would really help your child progress as a reader. Thank you! 😊

Task	Date issued	Tables Practise (Which test are you doing in class?)	Spellings for sentences	Hand in date	Completed?
Topic/Geography- Research what the water cycle is.	14 th January		Practice your spellings. To help yourself you could put them into a sentence.	21 st January
