

Eagle Class

Autumn Term 2022

Welcome to Eagle Class! We would like to welcome everyone back to school after the Summer break. We hope everyone is feeling rested and ready to start their first term of Year Four.

In English, we are exploring texts within Usborne Illustrated Grimm's Fairy Tales by Ruth Brocklehurst and Gillian Doherty. We look forward to showing off some of our fabulous storytelling and writing. The children will be developing their reading strategies and understanding of a text. We have begun our reading with a text called 'How To Train Your Dragon'. We are really enjoying this, so please remember to ask the children about it!

In Maths this term, we will be starting a new scheme called Power Maths. We begin by focusing on Place Value and understanding the importance of number. We will have daily number sessions focusing on times tables and weekly arithmetic tests.

We will be kicking off our Humanities journey with the Mayas. We will be using our enquiry skills to discover why the Mayas were so magnificent.

As scientists we will start the year by exploring animals including humans. Science will be linked to our topic, exploring teeth and eating. We will work scientifically, carrying out investigations.

In RE, we will be exploring the Creation Story and how we see ourselves in the likeness of Jesus. Additionally, we will have RSHE lessons every other week, exploring relationships and health education.

PE

Eagle Class have PE on a Wednesday and Friday. Please send your children to school wearing their PE kits on these days.

Google Classroom and Homework

The children will be set up with a new Google Classroom account. At this moment in time, this platform will solely be used to issue homework.

Every Friday we will post weekly homework onto Google Classroom. Homework will consist of, reading, practising spellings, completing tasks on an online platform called IXL and accessing Times Table Rock Stars to practise times tables. The expectation is that Year 4 children know all of their times tables (up to 12).

Passwords will be issued in the coming days. Please let us know if you have any questions.

We are so excited to teach your children and support them through this stage of their journey. If you have any questions please do not hesitate to contact us through Class Dojo. Thank you for your support.
