

Phonics Home Learning Sheet

Week Beginning 29.1.18

We have now reached the end of our Phase 3 letters and Sounds programme! 😊

Please continue to practice all of the phonemes (single sounds), and digraphs (two letters making one sound), on your sound mat.

Remember to practice:

- Recognising the sounds on your sound mat
- Identifying the sounds in written words
- Sounding out words containing these sounds and writing them

Please also use your tricky word bookmark to practice these words.

Phase 3: he, she, me, be, we

was, my, you, they

- Recognising these words on sight (remember they are tricky as you cannot sound them out!)
- Writing these words from memory
- Finding these words in books/on TV/ out and about

You could practise writing letters/tricky words in:

Salt, chalk, water and paintbrushes, in the air, on body parts, in steam from the shower/bath on mirrors etc.

Remember that writing should be fun, not a chore! 😊
