

# Owl Class

**Autumn Term 2019**

Welcome back from the summer holidays and an even bigger welcome to KS2!

During Year 3 we work really hard to gain a little more independence by organising our own things.

In English, we are continuing on our Talk for Writing journey. This will be a whole class effort and we look forward to showing off some of our fabulous storytelling and writing.

In Maths this term we will be focusing on place value, addition and subtraction. We will also begin regular time tables tests so it is important to start

Our Topic this term is WW2: A child's eye view from the home front. We will be looking at some of the major events such as the Dunkirk, The Battle of Britain and the D-Day landings.

In science we will begin by looking at the topic of light and then move onto forces and magnets.

In RE we will start by looking at Baptism and then explore other areas such as Saints, Islam, Sacraments, Advent and Christmas.

In PSHE we will begin by thinking about how to keep ourselves safe and then anti bullying and making friends.

## Homework

This is having a refresh this year with a focus on reading, spellings and timetables. There will also be a longitudinal project that will be linked to our topic.

## PE

Owl class have PE on a Tuesday and Thursday for which your child needs a full PE kit.

At times this may need to change so please try to have a PE kit in school throughout the week.

## AR

In Year 3 we begin to use AR. When your child is ready they will take a STAR test that will provide your child with a range of books that they can read from the library.
