

SCIENCE OUTLINE PLAN: SPRING, 2020

Following base line assessment at the end of the autumn term, Year 5 Science lessons will cover the following:

	Material World
6.1.20	Why that material?
13.1.20	Testing properties (including data)
20.1.20	What makes the best bath mat? Data analysis
27.1.20	Foamy fun
3.2.20	Solutions: dissolving
10.2.20	Solutions II
	Half Term
24.2.20	Mix it up!
2.3.20	Reversible vs non-reversible changes
9.3.20	Experiments I 😊
16.3.20	Experiments II 😊😊
23.3.20	Melting candles. Data analysis.

****** Due to the large amount of objectives for this sequence, it will most likely be assessed at the beginning of the summer term.
