

SWALLOWS HOMEWORK SPRING 2018

Homework will usually be set on a Monday or Tuesday and should be returned by the following Monday. Homework will support in class learning so it is important it is completed on time and to a high quality. Tasks are subject to change. Slots at our Homework Club can be booked through the office. You may arrange with me to complete homework during lunchtime if that helps. Every week, you'll need to read, learn your personal spellings and practise times tables. E mail any printing to:

dchavasse@olcs.uk
