

Home Learning in Robin Class

This is your home learning pack for this year. Please keep it safe in your child's book bag. Inside this pack you will find the following resources to help you to support your child's learning at home.

Maths

- Numicon 1-10 number line.
- How we form our numbers correctly in Reception
- Shape mats for 2D and 3D shapes.

Phonics

- How we form our letters correctly in Reception
- Sound mats for the Phase 2 and Phase 3 sounds
- Tricky word book marks for Phase 2 and Phase 3

As of next week, every Friday we will send home a sheet of maths activities for you and your child to do together at home, as well as the sounds that we have learned that week in our daily phonics teaching.

We really would like to encourage you to use your home learning packs as and when you can to support your child's learning, as this does make a huge impact on their progress in the classroom.

Thank you,

Miss Nash and Mrs Patchett
