

Kingfisher Class Home Learning w/c 18th May 2020

Dear Parents and Carers

Well here we are...almost at Half Term! I expect you'll be relieved to have a week off Home Learning!

The timetable for Maths is different this week. It's difficult for parents to download resources from White Rose now and I felt there was not enough time on each topic, so I have adjusted what we'll do this week. I'll upload a Dojo video with the teaching points for the week and the tasks for each day will be available to print directly from the school website. I've done the same for the English resources to save you having to go through Hamilton Trust. This might be a better/ easier way forward, so let me know how you get on. I've left Friday as a Times Table Day, so you can use that slot if you are behind on the lesson content for the week. Again, this might be something to consider as we move forwards, as I don't see that Year 5 will be back in school for a while.

I cannot thank you enough for all your hard work and commitment to continuing your child's learning journey. I have been overwhelmed by the way you have 'just got on with it!' The most important thing, during this unsettled time, is that you and your families are happy and safe. We cannot judge at this stage when school will resume for everyone. Even with a handful of children at school at present, it's incredibly hard to keep the social distance required to keep them safe. I'll be working alongside Mr Meech to make sure that a return to school will be safe for us all. In the meantime, thank you again for all your help and support. Stay safe and enjoy Half Term next week.

With my very best wishes
Mrs Chavasse

Dear Kingfisher Class

Well, only a week to go before Half Term! There's a new timetable for this week, which has a different approach to Maths Lessons. I'll 'teach' you on Dojo on Monday, then there are practice tasks for the next few days. If you've completed everything, there are Times Table colouring tasks for Friday or you can spend the lesson on Rockstars.

I know you must be a bit fed up by now with Lockdown, but it's really important that we stick to the rules and stay at home to keep everyone safe. You and your families have worked so hard to keep up with your learning from home. I'm SOOOO proud of you all! I'll stay in touch with you via Dojo and look forward to seeing more of your learning this week. I miss you all and am looking forward to a time when we can see each other again. We don't know when that will be, but it will be worth the wait!

Have a good week, then I'll let you have next week off ;-)
Stay safe!
Best wishes from
Mrs Chavasse

	9.00-9.30 P.E.	9.30-10.00 Reading	10.00-10.15	10.15-11.15 English: week 7 resources available via the OLS website or https://www.hamilton-trust.org.uk/blog/learning-home-packs/	11.15-11.30	11.30-12.30 Maths: resources via the OLS website	12.30-1.30	1.30 onwards
Monday	with Joe Wicks Available on YouTube https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ	Individual reading using Get Epic, own books from school/ home etc and AR quizzes where appropriate.
