

# Eagle Class

Autumn Term 2025

Welcome to Eagle Class! We would like to welcome everyone back to school after the Summer break. We hope everyone is feeling rested and ready to start their first term of Year Four.

We have started in English by being introduced to our new text 'Counting on Katherine.' This will explore the heroic journey of Katherine Johnson, a leading mathematician who worked for NASA. This will result in the class writing their own biography of her life.

In Maths this term, we will be continuing our Maths scheme, Power Maths. We begin by focusing on Place Value and understanding the importance of number. We will have daily number sessions focusing on times tables and weekly arithmetic tests.

We have commenced our journey in Humanities focusing on aspects of human Geography, while exploring our topic about locating South America and Brazil.

As scientists we are looking at classifying living things, focusing on our analysing and evaluating skills, as well as learning how to record and present our scientific findings.

During RE, Eagles will start by looking at the importance of 'Creation' within our topic of 'Creation to covenant'.

PSHE we will focus on 'Being Me in my World', thinking about 'Who am I and how do I fit?'

## PE

Eagle Class have PE on a Wednesday and Friday. Please send your children to school wearing their PE kits on these days.

## Homework

This year, we will not be using google classroom to set and view homework. Rather, I will be setting all homework on Class Dojo each week.

Every Friday I will post weekly homework onto Class Dojo. Homework will consist of, reading, practising spellings, completing tasks, maths (Via our new Mathsflex programme), and accessing Times Table Rock Stars to practise times tables. The expectation is that Year 4 children know all of their times tables (up to 12). I will upload our homework template weekly with updated tasks.

Please let me know if you have any questions, or issues accessing Dojo.

I am so excited to teach your children and support them through this stage of their journey. If you have any questions please do not hesitate to contact us through Class Dojo. Thank you for your support.
